

CHAPTER 6460 TRAINING

(No.21 May 2016)

POLICY

6461

(No.21 May 2016)

Responsibility

All

The objective of the training program is to constantly improve the quality of the services by increasing the efficiency of employees through development and improvement of their work attitudes, habits, knowledge, and skills. This objective can be furthered by taking full advantage of in-service training.

All employees working in a conservation camp will receive adequate training to enable them to carry out their responsibilities and duties effectively.

Division Chief

All CAL FIRE personnel who may be associated with offenders shall receive adequate training. Training and subject matter should be appropriate to the duties and responsibilities assigned.

Camp Commander Superintendent Division Chief

CDCR personnel shall receive a minimum of eight (8) hours fire safety training from CAL FIRE personnel prior to fireline assignment. CDCR shall provide CAL FIRE staff assigned to female conservation camps an overview of the Gender Responsive Training relative to working around female offenders, pursuant to California Penal Code § 3430 – Female Reform.

Camp Commander Superintendent

CDCR shall also receive training through the institutional training office in the following area:

- Use of force
- Pepper spray
- Firearms qualifications
- First-Aid and CPR
- Defensive driving
